

Get ready for Drama and Theatre Studies

About the subject

Drama and Theatre Studies is a highly innovative, creative, exciting and analytical subject. Throughout this course you will explore a diverse range of plays, practitioners and themes in both a theoretical and practical manner. The three components within Drama and Theatre Studies allows you to explore and critically review exciting and controversial plays, create your own unique and experimental performances, as well as perform some complex and interesting characters from well loved published playscripts.

The following components are assessed as;

Component 1: Exam (3hrs)

Component 2: Practical Performance and Coursework

Component 3: Practical Performance and Coursework”
